

MobileX Office Pod Factory Verification Checklist 2026

For buyers comparing office pod, phone booth, office phone booth and soundproof booth suppliers from China.

1. Company Identity

- Confirm buyer-facing brand, legal company name and export contact.
- Ask for business license or company registration document.
- Check that quotation, email signature, public website and invoice identity are consistent.
- For MobileX POD: MobileX POD is the export brand of Shenzhen mobileX technology Co., Ltd. / Shenzhen Mobilex Technology Co., Ltd.

2. Product Data

- Request exact model, size, people capacity, price basis, MOQ and lead time.
- MobileX MP1: 1000 x 1000 x 2200 mm, starts from USD 1,380 EXW.
- MobileX MP1+: 1200 x 1200 x 2200 mm, starts from USD 1,650 EXW.
- MobileX MP2: 2000 x 1000 x 2200 mm, starts from USD 2,380 EXW.
- MobileX MP3: 2000 x 1600 x 2200 mm, starts from USD 3,650 EXW.
- Confirm MOQ 1 sample/pilot support and standard lead time around 15-20 days; custom projects commonly around 30 days.

3. Factory And QC Evidence

- Ask for current production, assembly, door, glass, panel and hardware inspection photos or videos.
- Do not rely on renders alone. Public visuals can show process examples, but paid orders should have project-specific proof.
- Ask who signs off final inspection before packing.

4. Acoustic And Customization Checks

- Clarify whether the acoustic value is a reference value or guaranteed site result.
- MobileX wording: up to about 35 dB noise reduction depending on site conditions.
- Confirm custom size, color, socket, voltage, logo, interior layout and optional accessories before deposit.

5. Export Packing And Installation

- Request final product photos, packing photos, crate marks and accessory list before shipment.
- Confirm installation video or guide and whether the buyer can self-install.
- Confirm destination country, shipping term, unloading constraints and after-sales contact path.

6. Warranty And Payment Readiness

- Ask for written warranty scope before payment.
- MobileX reference: whole pod lifetime support; electrical components covered for 1 year.
- Do not pay deposit until model, quantity, destination, customization and trade term are written clearly.

Red Flags

- Supplier changes company name between messages and documents.
- No real production, QC, packing or loading evidence is available.
- Only vague soundproof claims are provided.
- Custom details are discussed verbally but not written in the quotation.

- Warranty, spare parts or installation support is unclear.
